Travelling to and from training unaccompanied (under 18)

Information for parents/guardians of young players

Abingdon Hockey Club welcomes young players under the age of 18 and endeavours to ensure that the club is a safe and friendly place for young people to develop their hockey skills and enjoy playing. We would also like to encourage parents/guardians to support their child and the club.

We understand that some under 18s are able to make their own way to and from training without being accompanied by a parent or guardian, and in that instance require the following declaration from a parent or guardian, as set out below.

I (parent/guardian) agree that (U18)

will be travelling independently to and from training during the 2017-2018 hockey season.

I accept that Abingdon Hockey Club will be responsible for (U18)

while they are on the pitch during the set training sessions (between 7pm - 9.30pm) but that the club is not responsible for them at any other time.

Signed (parent/guardian)
